

Chingford Hall Information

Week Ending: Friday, 27th
Jan

'It was very good, it had a lot of places to see and there was a special bit for schools. I had lots of fun.' -Charlie

'It was very interesting and had lots of stuff to see. We looked at lots of interesting things and had to guess what they were.' -Justice

'We saw Florence Nightingales lamp and we learnt that she was called the lady with the lamp. We made medicine and potions like Mary Seacole It was good.' -Melih

'We had lots of fun dressing up as soldiers and nurses, we made potions some smelt nice and some smelt really bad.' -Hilal

'There were a lot of guns and soldiers, it was very interesting. We looked at lots of statues of Mary Seacole and Florence Nightingale. We saw Mary Seacole's medicine shop and we made lots of smelly medicines they smelt like mustard.' -Jack

Safeguarding

When parents leave the reception area can you make sure that you do not let anyone into the reception even if you know them. The office has to buzz all visitors in.

Lateness

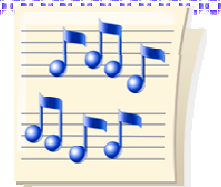

I am concerned at the number of children arriving late for school every morning. It is your responsibility that your child/children are in the play ground ready to line up and go to class at 8:50am. I'm sure you understand our concerns and will make every effort to ensure that your child arrives on time for school.

Assembly

Malcolm Boulter will take our morning Assembly on **Friday, 3rd February at**

9.15am. Please come along and join us on this morning, as Malcolm's Assemblies are always very entertaining!

Freshwater Theatre Company

On **Wednesday 1st February** Year 5 have a performance about the Olympics.

On **Friday 3rd Year 2** will have a performance about the Great Fire of London.

National Army Museum

Year 2 went to the National Army Museum on Monday 23rd January 2012. Below are some comments from the children:
